

2012 Heber Quilt Guild
Mystery Quilt
Step 2

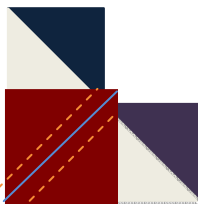

- Cut 32 – 2-3/8" dark squares
- Cut 8 – 4-1/4" light squares
- Draw a diagonal line on the wrong side of all of the 2 3/8" dark squares
- Place two of the dark 2-3/8" squares on top of a light 4-1/4" square (right sides together). **The inner points will overlap a little bit.** All outer edges will line up with each other.

- Sew a quarter inch on each side of the drawn lines.

- Cut on the drawn line. Press seams toward the dark triangles.
- Lay another dark square on top of the sewn pieces. Sew a quarter inch on each side of the drawn line.

- Cut along the drawn line.
- Press seams toward the dark triangle.
- Square up flying geese to exactly 2" x 3-1/2" (This will make 4 flying geese units.)
- Repeat until you have 32 flying geese units.
