## February Guild Meeting ~ A Time of Piece - ing

Cat Beckstead and Deonn Stott will present next week's guild meeting workshop: Precision Piecing. Both accomplished quilters, they will be sharing their best tips for accuracy in quilting. If you would like, please bring your sewing machine, thread, an extra bobbin, scissors or nippers, and pins. We will be testing our seam allowances for accuracy.

The Finishing Bee will also get going this month. If you are planning to

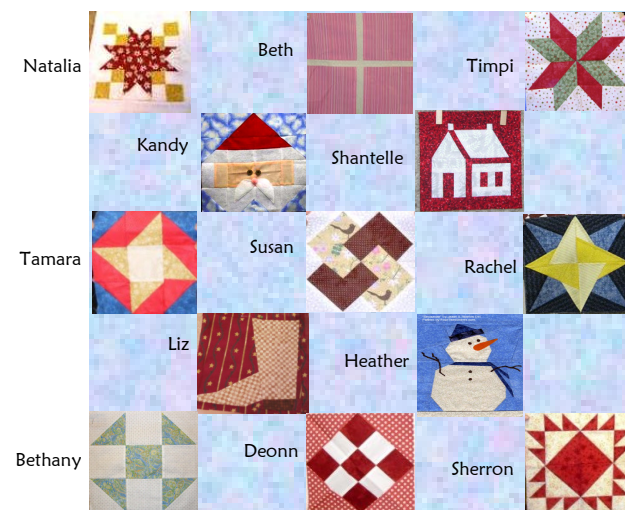

join this fun group, you will need to bring one fat quarter to give to Bethany, along with your numbered project list (find a copy at the bottom of the Members Only web page). Bring your first finished project on your list for Sew & Tell (or another fat quarter). For each project completed, your name will go into a drawing for a stack of fat quarters at the end of the year.

A big THANKS to those who are

helping with our charity quilt project, preparing quilts for Wasatch High School FFA club members to tie. If you received a kit last month, please return your quilts to Debbie at guild meeting.

Lastly, be sure to wear your quilted nametag to guild meeting (see instructions in the Guild Guide). These will help us get to know each other better, and will allow you to participate monthly drawings.

## Friendship Block Exchange Group

For those participating in the Friendship Group, only two blocks remain. Kandy's block is a Santa, any method, any size. This can be Santa's head or his whole body. Heather's block will be a Snowman, any size or method also. We will receive these final patterns at guild meeting.

Bring or send Bethany's blocks to give to Cat. We hope you are up to date with all of your friendship blocks. Can't wait to see everyone's work!
