HEBER VALLEY QUILTERS

## In Review

### "Free Quilts"

I'm sure we all enjoyed Bonnie Miles and her trunk show of "Free" quilts. Now there's a woman who has the art of multi-tasking down to a science. She has come up with a way to cut her scraps into strips and squares which she keeps by the side of her sewing machine in a little basket. And in between piecing, instead of stitching through a little scrap to save time and thread, she stitches one of her pre-cut blocks. That way, she is creating two quilts at the same time. And if her scraps are from another project, she can get two quilts for the price of one and with just a tiny bit more effort. Amazing and inspiring!

### A Preview: Russian Needle Punch

July's guild meeting will feature guest instructor, Lori Muse, as she demonstrates one of the latest crazes in quilting and crafting - Russian Needle Punch. It is like rug-hooking in miniature with a little needle and embroidery floss with quick and pretty results. Use to embellish your quilts, or frame for a cute decoration.

**VOLUNTEER HOURS** Summer is a great time to promote the art of quilting as you make quilts for reunions and weddings, teach your kids to sew, and etc. Be sure to tally up your hours promoting the art of quilting and report them to Barbara.
