

Heber Valley Quilters November 2022 Newsletter

November President's Message

The days are getting shorter and the nights colder with Fall season in full swing. The dusting of snow on our mountains is beautiful. We live in an amazing place with inspiration around every corner. You have all inspired me throughout the year during show-and-tell and the members who have presented each month. Hopefully, you have gained insight that helps fuel your creativity too. In November, Leah will lead us through the process of learning another method of embellishment, Sashiko. She has prepared a demonstration of the technique, then we will work on a project during the guild meeting. I hope

you can all attend to take advantage of this opportunity to be inspired and get creative!

In December, we are meeting at the USU extension, 55 South 500 East, conference room for dinner, games and gift exchange. Be creative in your selection of a gift to exchange at the December gathering. To participate, bring a gift that is new or used but an item you already own. Please do not buy something for this event. It should be wrapped and something you would enjoy receiving.

Chase your dreams!

State Guild News

Quilt Fest was held in Ogden last week and was a success according to all that attended. I was able to go up on Friday and see the amazing quilts at the quilt show and view the other displays. It was fun to see so many people that I have known for many years. This year, the silver thimble award went to Annette Bracken, who so deserved it. Next year it will be back in Layton and Louise Mudd will be over all events.

November 12-17 is the Holiday Quilt Show and Auction, held at Little America Hotel in Salt Lake City. There is a \$7.00 entrance fee to view all of the beautiful quilts. The hours are 9:30 am to 8:30 pm every day. The dinner and auction will be Friday November 18 at 6pm. Cost to attend is \$125 per plate. To view the auction quilts go to: imedicalfoundation.org/quilt. Or, call 801-357-3638 for more information. Proceeds from the quilt show and auction will support the Grant Scott Bonham fetal center at Primary Children's Hospital.

For all of the state guild members, remember that there is no newsletter in January. Dues will again be due March 1, 2023.

Many retreats are happening all around the state and elsewhere. If you are interested, read the state guild Beeline and you will find out lots of information. Is anyone going to Road to California in January? If so, I would love to know all about this event and what you think.
