December's President's Message

Time is the most valuable asset we have. We choose to spend time together at guild meeting, creating a community of support for our common interests. My goal this year was to collaborate and expand our knowledge of quilting through interaction. I learned new skills and honed others along the way. Hopefully, you did too!

On a personal note, thank you for your encouragement and support throughout the year. I enjoyed leading the Heber Valley Quilters in 2022. This role was rewarding in many ways. At times I was unsure of my ability, but there were members who educated me, gave me confidence, and laugh with me. It has been fun! Deonn brings an abundance of creativity to the group next year. I am excited for what she has in store for us!

December 1st will be the last meeting of the year and a fun time to enjoy conversation, good food and exchange gifts. I hope to see as many people as possible! **We meet at the USU Extension in Heber, 55 S 500 East, at 6 pm. Please bring a wrapped gift.**

Your gift should be something nice not a white-elephant. Try to keep it "craft" related, new or gently used. Search your sewing closet, stash or vintage vault but please do not buy anything. We all have some duplicates or gizmo from a specific project to pass along.

Chase your dreams,
Lara
