

# Heber Valley Quilters September 2022 Newsletter

## September President's Message

September is traditionally all about harvest and abundance. We are fortunate to live in a place where we can experience both without leaving the county. For some of us, we have everything at home within our garden, house, and community. The knowledge we share at quilting meeting is like the harvest when we gather information or try a new skill. Abundance is the diversity of interests, willingness to express ourselves without judgment, and fill our hearts with joy. The expression of gratitude for our abundance within the Heber Valley Quilters shines in the interactions of our members at the monthly meeting, on-line, and the friendships we foster individually.

This month we say goodbye to another one of our founding members. Like the others who have moved, I am grateful for the energy these women brought together and formed our guild. Gone but not forgotten!

For those members who are participating in the collage challenge, bring you finished project to display and be judged at the September 8<sup>th</sup> meeting. Sandy Hindy has worked on some generous participation awards, Emily Taylor donated a prize and the Utah Quilt Guild provided the cash prizes! We have a lot to cover in the meeting!

At our September meeting, everyone will be receiving a kit that contains fabric, paper shapes, thread and a needle to try English Paper Piecing. Whether you are new to English Paper Piecing or experienced, I hope that you will come and give it a try. Everyone will need to bring a few tools as well. You will probably already have everything in your quilting tools. Please call or text me if you have questions at 801-636-5296. I look forward to stitching with everyone! ~~Shantell

Please bring:

Scissors

Fabric glue stick such as Sewline Glue pen or washable school glue stick

Clover clip- I prefer the original size, small will also work, large is too big

Thimble-optional, if you prefer to use one for hand sewing
