Spring Flower Quilt

Celtic Twist Blocks

PRESIDENT'S MESSAGE

Hey ladies, I am so excited for the Heber Valley Quilt Guild's annual Quilt Retreat! I have been thinking about what I will be bringing to work on this weekend. I just love the thought that I am going to be able to sew for two days straight with no housework, or dishes, or cooking meals for the family. I'm excited to be with you ladies having a great time and getting to know some of you a little bit better. Spring has been in the air the last couple of days (I know it won't last), but the idea of warm weather and flowers blooming is refreshing. I love spring!

Don't forget to bring your Notion block to the Retreat/Guild Meeting Friday night. I have one block made and I'm planning to do a couple more this week.

I have chosen a Celtic Twist Block for our monthly exchange block. It seemed to be a good choice for March with St. Patrick's day. St. Patrick's Day is celebrated on March 17, the saint's religious feast day and the anniversary

of St. Patrick's death in the fifth century. The Irish have observed this day as a religious holiday for over 1,000 years. On St. Patrick's Day, which falls during the Christian season of Lent, Irish families would traditionally attend church in the morning and celebrate in the afternoon. Lenten prohibitions against the consumption of meat were waived and people would dance, drink and feast--on the traditional meal of Irish bacon and cabbage. So don't forget to celebrate and wear green on the 17th.

The Celtic Twist Block instructions will be given out at the Retreat on Friday evening when we stop what we are doing and have a short Guild Meeting. Please come at 7:00 p.m. to join us for the meeting even if you didn't sign up for the retreat. You will need for different green fabrics for this block with a white background. Please use a white or white on white for the background, Light green, medium green, dark green and even darker green for the fabrics. This block will be turned in at April's meeting.

CANCER BLOCKS

The packets to make another cancer block have arrived. This year we have a choice of three pink batik fabrics. Purchase one or more and then make a block with a flower on it. If you are not familiar with this event, the quilters purchase a kit for \$5.00, make a 6 or 12 inch block, then turn it in at Quilt Fest. The blocks are then made into quilts and other items and auctioned off and all of the money raised will be presented to the Garfield Memorial Hospital Mobile Mammography unit that sends a bus out to all of the women in the rural part of Southern Utah that might not otherwise have a chance to get a mammogram. There

will also be a viewers choice award given for the best block turned in. Barb will bring these to the retreat in March.

SHOP HOP BUS

In June, the Utah Quilt Guild is planning on chartering one or more buses to go shop hopping on one day of the shop hop, June 13-16. Most likely it will be on Saturday. This will be for Utah Quilt Guild members only. If you think you would be interested in participating in this event, please let Barb Murdock know so that we can turn in some numbers to the president. The cost will be \$10.00 each for the entire day. They will try and go to as many stores as possible. Most likely you would have to meet the bus in the Salt Lake or Provo area.

QUILT FESTIVAL

Quilt Festival will be held at the Zermatt Resort in Midway October 8-12. Make sure that you are a member of the Utah Quilt Guild so that you can get the best price on classes. Send in your membership form before March 10, 2013. The brochures will be mailed to all of the members in May. www.utahquiltguild.org Registration begins in June.
