PRESIDENT'S MESSAGE

Well it is that time of the month again, no not that time of the month. The FUN time of the month when we get together and share our talents and ideas! I have been goofing off a little too much this last month, I have a lot to do between now and Thursday. Last week I went to Idaho with my Husband and stayed in a cabin right on Henry's Fork on the Snake River. We had a wonderful time, I got to meet up with 3 of my nieces and 1 nephew and their spouses at BYU Idaho. While Mike was working and fishing I took my sewing machine and a couple of projects to work on. I made a hipster bag for my daughter Katelyn for her birthday, I working on some embroidery projects for my brothers and sisters to give to them at my family reunion in July. And I worked on a quilt that I started last month, but I ran

out of fabric to finish it and couldn't find it in Idaho to buy more. It was so quiet and peaceful, I could live there forever! Okay, now back to reality. Our meeting this month will be a presentation by Amy McClellon of American Quilting. I know a lot of you do her Saturday Sampler and some other classes down there in Orem, but maybe you haven't met Amy, she is the owner of the store. Please make sure to bring your block of the month, which is a 12 1/2 inch block on muslin with a bird house of any kind and any method you prefer. This coming month is a English paper piecing circle. I will have a hand out at the meeting with the instructions and pattern. Please bring your sew and tell items, and come have fun with us.

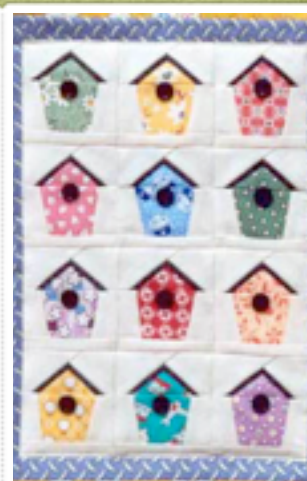

Thank you, Beth Wegner

Bird House Quilt Blocks

THIS MONTH

BLOCK OF THE MONTH

Have you made your block yet? The Pattern is a any birdhouse quilt block with a muslin background. It needs to be a 12 1/2 Inch block. You will earn 2 "Owl Bucks" for each block you turn in. Earn as many "Owl Bucks" as you can for our block auction in December.

OUR MEETING THIS MONTH

At our meeting this month, Amy McClellan of American Quilting is coming. Here is a little info about her shop. American Quilting is a family-owned Quilt Shop located in Orem, Utah. We opened for business in 2003 and provide quality quilting fabrics, sewing and crafting supplies, quilt kits, and patterns. We also offer about 15 different quilting clubs and classes for quilters of all skill levels!

Visit us in-store to find out about our specials and events, like Fat Quarter Fridays and the extremely popular Saturday Sampler.

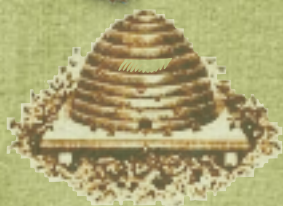

Here is a little info about the "Saturday Sampler" class. If you are looking for an awesome introduction to quilting, this is your chance! Saturday Sampler is a fun block-of-the-month club where you learn lots of different blocks, techniques, and quilting tips.

Here's how it works. You pay \$40. You come pick up your monthly kit on the designated Saturday. You sew your kit. You come back the next month and do it all over again! If you fall behind, or miss a month, you can still pick up your kit - - you just have to pay \$5.

Starting May 1st you can sign up for Next years Saturday Sampler.

DESIGN CHALLENGE

If you didn't bring your half square triangles last month, bring them this month and you can still participate in our design challenge.

NEWS FROM THE STATE GUILD

HMQS

May 9-11 is the Home Machine Quilting Show in Sandy, an event that you do not want to miss. www.hmqs.org If you do not have a brochure, Barb Murdock has lots of them.

CHARITY QUILTS FOR POLICE OFFICERS

If you are making a quilt for this charity, remember that they are to be nice ones for children, no larger than 45x60. If your quilt will not fit in a two and a half gallon zip loc bag, I have some other clear bags to put them in.

THE BIG WINNERS

at Paducah this past week were Ranae Haddadin (Utah) and Karen Kay Buckley (PA) Their stunning quilt, Fiesta Mexico, won Best of Show! There were about six winners from Utah.

UTAH QUILT GUILD MEMBERSHIP

The Quilt Fest brochures will be mailed this month to all of the current members. Remember, if you sign up for a class at Quilt Fest in October at the Zermatt, classes will be much cheaper for Utah Quilt Guild members. www.utahquiltguild.org

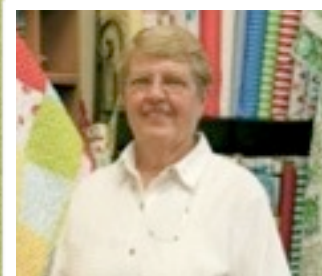

Some people have thought that if you were a member of any local quilt guild, you were automatically a member of the Utah Quilt Guild. These are different organizations.

SHOP HOP BUS

In June, the Utah Quilt Guild is planning on chartering one or more buses to go shop hopping on one day of the shop hop, June 13-16. Most likely it will be on Saturday. This will be for Utah Quilt Guild members only. If you think you would be interested in participating in this event, please let Barb Murdock know so that we can turn in some numbers to the president. The cost will be \$10.00 each for the entire day. They will try and go to as many stores as possible. Most likely you would have to meet the bus in the Salt Lake or Provo area.

QUILT FESTIVAL

Quilt Festival will be held at the Zermatt Resort in Midway October 8-12.. The brochures will be mailed to all of the members in May.
