PRESIDENT'S MESSAGE

It's about time...for retreat!!!

There will be no Thursday meeting for guild in May since we have our annual retreat this Friday and Saturday, May 2nd & 3rd. You may still register for \$35 by contacting Heatherly Stanley at: (435)671-1234 or Sally Siggard at: (435)671-6973. If you can only come one day or a partial day, the cost is \$20. There will be a guild meeting free of charge on Friday night from 7-9. Location is Charleston Town Hall 3454 So. 3400 W. Kami Williams will be teaching a class on paper piecing and will give us the designs for our 'block of the month' for May. There are some fun things in store for all of us this weekend! I am so excited!! I have learned so much and continue to learn from each member of the guild. It is great to be able to visit with everyone and having these two days each year is something I look forward to.

Everyone who is participating in the Round Robin block exchange will be able to trade for the last time this month. The final borders will be added in May and blocks will be returned to their owners at June guild meeting!!! I am so impressed with the beautiful work you have all done for one another. Everyone has been prepared in the allotted amount of time as

well which has been great. Thank you!

For those just learning how to design or those of us who have designed before, Bethany has given us a great design challenge this year. If you want to participate, and haven't drawn your shape yet, contact Bethany and join in! It will be nice having a red, white and blue decoration to hang up for the 4th of July!

We had a nice meeting in April. Thanks to all of you who made it great! The beautiful display was by a new member, and dear friend, Amy Defa. Brenda and Nita did a wonderful job instructing and inspiring us. The refreshments were yummy and sew-and-tell was a treat!

See you all this weekend in Charleston.

Love y'all, Serve y'all! (And that's another story for another day...)

Amber

P.S. Here is a link for a map to the town hall in case you don't know how to get there.
