November Guild Meeting ~ Nov 13, 2010 ~ 10:00 am

Take the mystery out of the disappearing nine patch, and come join us for a fun day of quilting together! Cathy Brand and Debbie Proctor will head up our guild workshop as we construct a table topper or small quilt. Learn about all the fantastic ways that this method can be arranged to make such a simple block look so complicated!

Nine-patch, cut and ready to disappear

If you have already made a Disappearing 9-Patch quilt, please bring it to Sew & Tell. Fabric requirements and cut lists are located on page 2.

If you are not doing the nine-patch, feel free to bring your own project and enjoy the day with us!

A Luncheon will be served at 12:00 pm. Please contact Tricia if you'd like to help: 654-9807. The food assignments are as follows:

Soup: Nita Graham, Suzanne Mertlich, Tamara Ellis, Deonn Stott

Salad: Carol Hunt, Vicky Larsen

Bread: Cathy Brand, Rachel Crane, Kandy Adams

Dessert: Amy Strickland, Paulette Adams, Beth Wegner, Wendy Hall
