

## SEW MUCH FUN! HVQ 2015 Row Quilt

### Block #3 - Sew Tulips (Wall Hanging requirements in parentheses)

These blocks are Paper-pieced.

#### Yardage Suggestions:

4 Fat eighths in 4 different prints for tulip petals

1 fat eighth yellow for tulip centers

2 fat quarters in 2 different greens for leaves

3/4 yard background (1/2 yard for wall hanging)

For each tulip you will need:

1 - 6" (4-1/2") square for tulip petals

1 - 3 - 1/2" (2-1/2") square for tulip center

1 - 7" (5") square for tulip leaves

1 - 10" (8-1/2") square background

Download copies of the paper-piecing patterns at [www.hebervalleyquilters.com/members-only.php](http://www.hebervalleyquilters.com/members-only.php). Copy as needed to make six of Tulip.1, six Tulip.2 and twelve Tulip Leaves.

For a dimensional center, position background piece A-1 in place, then fold a yellow square into quarters and adhere in place with a glue stick before adding colored petals. Repeat for each tulip. When you have completed 12 tulip units and 12 leaf units, stitch into a row, alternating Tulip.1 and Tulip.2 for Row #3.
